Eat Well, Live Well.

AJINOMOTO

AJINOMOTO (MALAYSIA) BERHAD

ENVIRONMENTAL POLICY

We regard the environmental matters as one of our priority issues and committed in protecting and improving the environment in all areas of the company's operations, while preserving and enhancing the quality of life for employees, customers and neighbours.

1. **Be conscious of global environmental issues and formulate comprehensive environmental plans to ensure compliance with related environment laws, rules and regulation.**

2. **Committed to prevention of pollution in all our operation and continuously improve our environment management system to enhance overall environment performance.**

3. **Committed to reduce environmental impact, mitigate climate change risk and regenerate the environment by FY2030 by reducing 80% of CO_2 (GHG) emission and 75% reduction food loss disposal against the FY2018 results besides achieving zero plastic waste.**

4. **Enhancing the environmental awareness of employees and contractors through education and training and with our stakeholders to enhance environmental and social sustainability.**
