AJINOMOTO (MALAYSIA) BERHAD

OCCUPATIONAL SAFETY AND HEALTH POLICY

We, AMBers committed to provide safer environment and healthier workplace to everyone by sharing our core values in preventing workplace injury and ill health to protect our employees, contractors, customers and neighbors. We respect each person and place Occupational Safety and Health as one of the most important components of our corporate activities.

1. **Comply with the relevant Occupational Safety and Health laws, regulations, inhouse rules, AjiCo Occupational Safety and Health Regulation and other requirements while striving towards zero accident and protecting life.**

2. **Ensure to reduce and remove potential risks by identifying and evaluating hazards at their sources and managing them through Occupational Safety and Health Management System.**

3. **Provide adequate resources to Occupational Safety and Health activities and promote awareness to all employees and others through information sharing, education and continuous training.**

4. **Encourage active consultation and participation of all management and employees through OSH Committee in the development, planning, implementation of sound safety actions to enhance–safety culture at workplace.**

5. **Set Occupational Safety and Health performance targets and review periodically to achieve continuous improvement under the leadership of line management.**

6. **Strengthen the corporate and emergency response systems and conduct periodical drills to prevent and minimize harm and damage during events of emergency.**
